

ABC Connect Programs

We've teamed up with four industry-renowned tech companies: AccuLynx, EagleView, Chamelon Power and Billtrust. These companies combine ABC Supply's products and pricing with leading industry software so you can easily build estimates and place orders whenever it is most convenient for you.

To learn more about ABC Connect, speak with your sales representative or visit abcsupply.com.

Other ABC Connect Programs

AccuLynx – This business management software is designed exclusively for roofing contractors. It's packed with powerful and easy-to-use features built to streamline business and grow profits.

Pictureit – Our virtual exterior remodeling tool helps you shorten the decision time and close the sale by creating renderings of homes remodeled with a comprehensive list of exterior products.

myABC Supply – Download the ABC Supply app or log in to: myabcsupply.com to manage your account, pay invoices, view order status and delivery details.

Contact your local ABC Supply branch or call EagleView directly at 866-659-8439

 eagleview

Construction professionals need to generate fast, accurate bids for their customers. EagleView gives them the measurements and sales tools they need – on or off-site.

View

Show a complete view of a proposed project as a powerful selling tool.

- Explore an interactive 3D model of the property, with the ability to pinch, expand, rotate and tab for a closer look
- Leverage Augmented Reality to leave a lasting impression with the homeowner
- Add materials and textures to your 3D model to show clients proposed improvements

Bid

Generate a quote in seconds to take the guesswork out of estimating.

- Set pricing per square based on your low-end to high-end estimates
- Customize labor costs based on roof difficulty
- Set your average expected waste factor
- Add other flat-rate costs, such as removal, vents and skylights

ABC Supply brings the branch to you

Through our exclusive collaboration with EagleView, we give you the ability to do business with us where you want to, when you want to and how you want to.

Plan

Access job planning resources on the spot and on the go.

- View past reports and status updates on the your dashboard
- Upload user-generated images of the property keeping your project planning in one spot
